

Navigating Your Student Center Homepage

Introduction: When you first log into your Student Service Center, the first page that you will see is your default homepage.

1. Accessing other HomePages:

- You may have more than one HomePage available. Click here to access others.

2. Tiles and HomePage Content:

- Use these tiles to find relevant information and links to other pages.

3. Home:

- To return to your default homepage, click the Home icon at the upper right.

4. Actions List: The Actions List contains additional links that will allow you to do perform the most common tasks. The menu may change slightly depending on the page you are viewing.

- My Preferences: Allows you to change some general settings.
- Add to Favorites: Add a commonly used page to your favorites for quicker access.
- Help: Access general system help information.
- Sign Out: Return to login screen or log off.

5. NavBar: Clicking on this link will open a menu with links to allow access to other screens such as:

- Recent Places: Access the last five pages you visited.
- My Favorites: Contains a list of links that you have added as a favorite.
- Navigator: View the full main menu to click on any page you may have access.
